**100% OF CONCENTRION, 0% OF NOISE**  
Comfortable, modular phone booth for 1 person. It doesn't take up much space and fits into any office interior. Provides perfect conditions for conducting phone calls and teleconference.

**PERFECT MUTE**  
Multilayer walls filled with an acoustic sponge and covered with felt provide excellent noise insulation at 36 dB.

**MODULAR CONSTRUCTION**  
Booth is modular, so it's easy to assemble and disassemble.

**COLOR OPTIONS**  
Booth is available in two color options:

- light: white enamel at the door + medium gray felt on the external and internal walls + shelf and handle are made of birch plywood.
- dark: black enamel at the door + dark gray felt on the external and internal walls + shelf and handle are made of birch plywood.
